Dear Patients and Friends,

I am thrilled to share some important and exciting news regarding the practice of Sleep Better Virginia, PLLC. It has been my goal to identify a partner who can continue the tradition of providing the exceptional care you've come to expect from us at Sleep Better Virginia.

After a comprehensive year-long search, I am thrilled to introduce Dr. **Janine Randazzo**, who will be the new owner of Sleep Better Virginia, PLLC. As part of this transition, on November 20th and 21st we will be closed during our move to Dr. Randazzo's existing dental practice **located at 2300 Robious Station Circle, Midlothian, VA 23113**. While Dr. Randazzo assumes administrative and financial ownership of the practice, I will remain actively involved in all clinical procedures. Together, we will ensure a seamless, smooth and uninterrupted transition, continuing the highest quality dental sleep medicine in central Virginia.

Dr. Randazzo is an accomplished colleague, and dental practice owner of Randazzo Dentistry. She received her BS in Biology from Adelphi University and attended Tufts University School of Dental Medicine in Boston, MA. In 1998, after graduating dental school, she joined the Army and served on Active Duty for 3 years, completing her residency in Advanced Education in General Dentistry at Ft. Benning, GA, where she was named Honor Resident, and finished her service at Ft. Bragg, NC. Dr. Randazzo has extensive experience performing a wide range of dental procedures. She began her continuing education in Sleep Dentistry in 2015 and is actively pursuing her mastery certification to ultimately achieve Diplomate status with the American Board of Dental Sleep Medicine.

We deeply appreciate your trust during this transition. Should you have any questions about the changes, your appointments, or our services, please do not hesitate to reach out to our office.

Thank you for allowing me the privilege of caring for you over the years. I am now excited to introduce to you and join in treating you with Dr. Randazzo. We look forward to continuing your care and providing central Virginia's highest quality dental sleep medicine.

With deepest gratitude,

Erika Mason DDS
